## Instructions for using Return Label

1. Place the course material to be returned into a box or envelope
2. Print this page at 100% on white or light colored paper. Make sure "Shrink oversized pages to paper size" is UNCHECKED in your printer settings, and do not print on brilliant-colored paper.
3. Cut out the label on the dotted lines and affix to the address side of the parcel, covering up any previously delivery addresses and/or barcodes, without overlapping any adjacent sides. If tape or similar material is used, it must not cover any part of the label where postage and fee information is to be recorded
4. Mark through any other addresses and/or barcodes on the outside of the package
5. Take the package to your local post office or give it to a postal carrier
